

Yukon Exploration Projects 2011

MAP FEATURES

- communities
- capital city
- deep water port
- primary highway
- secondary highway
- mineral claims staked in 2011
- mineral claims
- parks - withdrawn areas
- generating station
 - diesel
 - hydroelectric
- transmission line
 - <138 kv
 - 138 kv
- proposed infrastructures
 - 1942 surveyed railway route
 - pipeline route

COMMODITY

- silver
- gold
- copper
- iron
- nickel +/- PGE
- lead/zinc
- molybdenum
- tungsten

DEPOSIT TYPE

- iron oxide breccias/vein
- mafic/ultramafic associated
- porphyry/sheeted vein
- sediment associated
- skarn/replacement
- vein/breccia
- volcanic associated
- industrial minerals

advanced projects (>\$1 000 000 in expenditures) are large labelled symbols
early stage projects (<\$1 000 000 in expenditures) are small unlabelled symbols

0 100 200 km
